Quote to Consider:

“Paul cared nothing for social status. The only status that mattered to him was his status as justified: declared righteous ‘in Christ.’ The cross overturns all the status logics of this world. Accordingly, members of the company of faith, like Paul, will be perceived to be holy fools who march to the beat of a different kingdom drummer. To live out one’s new status in Christ means enacting parables of God’s own foolishness, for example, the ‘foolishness’ of forgiving others at great cost to oneself. As a theater of holy fools, the company of faith is charged with acting out the socially subversive new reality brought into existence in Christ.”

### ***Our Vision:***

Wolf River Presbyterian Church endeavors diligently to promote a strong emphasis on exegetical preaching, most frequently through books of the Bible (II Timothy 3:16, 17). We will seek to incorporate substantive Bible study, a vital prayer life, and authentic fellowship into the life of the church (Acts 2:42), striving to see believers grow in their hunger for God’s Word, from the initial steps of Christian understanding to a mature faith (I Cor. 3:2; I Peter 2:2). Through an emphasis on the word of God we will strive to build one another up (Acts 20:32), teaching biblical principles as the foundation for holy conduct, beginning with the fathers and young men of our households (I John 2:13). It is our prayer that by equipping believers for the work of service in Christ’s Church (Eph. 4:12), mature believers may disciple and assist younger believers in their common goal – to give glory to God through the rearing of godly families (Deut 6:7), the demonstration of God’s mercy to those in need (Matt. 25:40), and the promotion of the gospel of Jesus Christ (Mark 16:15) first in our own community, and then in the world beyond (Acts 1:8).

“**Orthodox**” (literally, “straight thinking”) signifies our holding steadfastly to the inerrancy of Scripture, not in a thoughtless faith, but one that recognizes God’s Word as the foundation for consistent “straight thinking.”

“**Presbyterian**” signifies that we believe the Scriptures to teach that local church elders along with a pastor, form a “session” to care for the spiritual welfare of the members of the **Church**, while not presuming to interfere with their freedom of conscience in matters of Christian liberty.

There are over 300 OPC churches across the US, as well as active mission works in many foreign countries.
